quoi de neuf chez les Rosbifs

Two jugs of ice please.

George(Powder White) regrets asking TJ's staff for extra ice with her drink.

I know you've secretly been asking for it and after several weeks absence one of the **Powder White Two** (to use the popular collective vernacular) is back in print. This time as a result of a big night in TJ's. And boy, did **George** not disappoint. Clad in a wet tshirt with ice cube nipples. I'm in editorial heaven! After warming up at the Ronny James and Matt returned to share their slight inebriation with the other members of the bar. From then on all accounts get slightly blurred but include dancing with bar stools and crowd surfing.

Even more notes from an injured editor

It appears I was a tinny winny over optimistic last week about my expected recovery time and the removal of the plaster cast. Went to see the doc on Monday only to be shown an x-ray with a nasty black line still traversing my fibular bone. Bugger! (at least) Another two weeks in plaster to look forward to. It looks like I could be hoping to the judges area in Chamonix on March 19th.

On the plus side the date for the end of season ball has finally been confirmed for the 16th April. I hope everyone can make it before they go home.

THE SURGEON GENERAL WARNS

Doing ski seasons can be highly addictive, can seriously damage your sanity, result in a general lack of sleep, makes your arse bigger, increase the chances of getting a blow job in the skidoo hut outside Kalico and waking up next to a complete stranger.

A rather fit and tanned lady joins The Ski Total Courchevel Pier

Rocky's "by the seaside" night

Once again the Rocky's theme night was a fantastic success. Once again there were Seasonnaires from all over Courchevel in attendance. Once again we are amazed at the effort and enthusiasm that all the seasonnaires put in to this event!

It was a very close race to win the bottle of vodka for best costume however the bar staff all agreed that Dave, Duncan and Nick from Total Ski should win it for their Courchevel Pier. Other exceptional costumes were of course Marcus and Gavin from Le Ski who came as fish and chips and without doubt Max who once again constructed a monster costume of a palm tree complete with beach.

Rocky's next theme night - 12th March - will be 'From a Fairytale'. Also entries for 'MoMarch' will also be taken on Sunday providing they come in clean shaven.

JAMES says*

"Remember grasshopper, The reverse edge also has a reverse edge"

WHY? Because he's a BASI ski instructor and he has the id card to prove it.

Rocky's news

As a point of note Rocky's will be holding the after party to the Brookie Bowl on Saturday. At this we will be launching 'MoMarch' where all the seasonnaires we can rope in will shave clean in the bar then attempt to grow the biggest, most stylish Moustache over the month of March. Lots of prizes to be won all in the aid of Disability Snowsports UK. Anyone that hasn't already signed up can turn up Saturday from 2.30pm and join in.

Season Events Calendars

Those of you who were expecting a relaxing first week of the season should think again. Almost every day of the week we have some event.

Wed 19th March - Boss des Bosses, Chamonix

Wed 26th March - 3 Valley Rally, Kalico

Wed 16th April - End of Season Ball

Sat 27th April - Season ends

The Rocky's staff practice their diving behind the bar

The end of the green meanie.

After last weeks photo of **Gregg(Ski Higher)** wearing his XL baggy Oakley one-piece I was shocked to hear it is now looking for a new owner. It seems that the bagginess interferes with the stance of a snowboarder. So if you are a skier who wants to look the shizzle on the mountain. Give Gregg a call and make him an offer.

Season Quotes

"The problem is, I have length"

Jimbo(Jump) questions whether he will be too long for a medium.

"So you'll be skiing the Brookie bowl then"
