Merry Christmas

Tom(Mark Warner) shows his pole control

If spending an hour rolling around in sub-zero conditions wasn't enough to tire out the workers it was left to **Ski higher**s pole dancing competition in Kalico. As at the beginning of the season it was left to the male contingent to provide the majority of the entertainment.

From the outset it was all about **Tom(Mark Warner)** fresh from his snowball victory he had his eyes on the first prize. With a little help from Hannah's red bikini and the de-robbing skills of **Jen(Ski higher)** no one else realistically had a chance.

Even the beautiful **Caroline** from Supertravel superior pole skills meant nothing when compared to a beer covered bikini clad bloke.

A note from the editor

I don't know about you but I'm exhausted. Barely a day has gone by without an event happening combined with a sharp intake of alcohol. We've had the inaugural Picnics on the Piste extreme snowball fight followed by the Ski Higher pole dancing competition. We had ex-seasonaire Mitch Matthews spin some crowd pleasers on Tuesday night. The free toffee vodka flowed at the Natives show love tour party on Thursday. Maybe I don't have the stamina of you young pups but with Christmas and New Years festivities coming up it's time to stock up full caffeinated coffee and an assortment of energy drinks otherwise I'm never going to get to stay up and watch Santa Clause delivery my pressies.

THE SURGEON GENERAL WARNS

Doing ski seasons can be highly addictive, can seriously damage your sanity, result in a general lack of sleep, makes your arse bigger, increase the chances of getting a blow job in the skidoo hut outside Kalico and waking up next to a complete stranger.

Extreme Snowballing

With the mercury barely registering on a thermometer and the simian primates well and truly freezing their brassed balls off, Picnics on the Piste unveiled their inaugural extreme snowball arena outside Kalico. Lit up with spotlights, and fuelled with vin chaud, teams of seasonnaires from Mark Warner, Skiworld, Skival, Ski Higher, battled it out for the honour and glory.

With the simple rules of 1 point given for hitting an opposing team member and 5 points for hitting the picnics banner behind them it was down to who could fling the most chunks of snow and ice.

It was clear from the beginning that some members of team **Ski Higher** were more interested in hitting their boss than their opposition. Despite this they managed to continue through to the final. As a note Johnny is on smelly boot lining cleaning duty for the rest of the season.

At the other end of the table the **Mark Warner** ski hosts despatched team Garry and then Skiworld Catina to make it into the final.

By now I had lost all feeling in my fingers, the batteries in my camera had run out so in the spirit of journalism I buggered off home to warm up and recharge.

According to those with a hardier constitution the final was a very close run affair with only 4 points separating the victors from the losers.

Caroline(Supertravel) shows off her underwear

After seeing Caroline's amazing performance on Monday I have two words of advice given to me from a pole dancing instructor HOT and PANTS. Considering we have not been formally introduced I felt your modesty was all too often on display. I don't think any further explanation is necessary

You know the situation. You've just spent the whole evening chatting up this girl, pretending to laugh at her jokes, trying to make eye contact and not obviously staring at her breasts, maybe had a bit of snog on the dance floor. It comes to the time when you're walking her home. You know her chalet is near yours but sooner or later your paths will divide. So you make your move. Do you be upfront and

How big? Abbie(Skival) gives her description of Dave(Ski Total)

ask her back to your place? Want to see my etchings? Or how about "I've got a huge cock". Had it not been for the alcohol I think this would have been countered with fits of laughter. But apparently this approach worked for **Dave(Ski Total)** as he "wooed" **Silkie(Mark Warner)**. Needless to say poor Silky was a bit saddle sore the morning after.

Dave's myth has been quick to spread with other girls wanting to sample his trouser equipment, although with no more reports of any more rough rides I can only suppose they are more amply endowed in the bucket dept.

And Finally

Reports filtered in that last week **Erica** succumbed to the debatable charms of **Tom(Kaluma)**. Which begs the questions how much booze does someone need before their judgement is skewed and their morals are loosened. After lending a helping hand handing out free toffee shots at the Natives show love tour I have seen, first hand, how popular that makes people.

JAMES says*

"Don't ski down the roads. It's not big and it's not clever and you'll probably get squashed by a Russian Hummer"

WHY? Because he's a BASI ski instructor and he has the id card to prove it.

*The enquirer doesn't support or condone anything that James says.

Zöe grabbed by the rozzers

Waiting for arrivals at Geneva airport is generally a very monotonous event. There is only so much you can read at the newsagent; so much you can drink at the café. So to inject some excitement there's nothing like getting your collar felt by the local fuzz. Trying on some nice metal bracelets and having your particulars taken down.

Luckily using her feminine wiles and her minibus she gave them the slip and made it over the border to the (relative) safety of French soil. If you see this person, approach with caution. If cornered she has been known to turn nasty.

As a master of disguise she has changed her appearance since this photo was taken.

Right to reply

If you disagree or fell you have been wronged by anything that is written on this sheet I offer you the right to reply. As long as its not obscene or overly offensive I will print it word for word.

One of the major criticisms, One of the MANY major criticisms I get about this paper is that of all the Courchevel villages it only covers 1850 and sometimes 1650. The explanation for this is simple. I live in and drink around the bars of 1850 and so I hear what goes on in 1850. That's were you come in. If you have any stories, gossip, photos, suggestions etc. I want to hear from you.

As an added incentive the best article submitted every week will receive a case of beer. I am usually in one of the 1850 bars every evening. Alternatively for those of you who are more technically minded you can email be directly on info@courchevelenquirer.com The Courchevel Enquirer comes out every Saturday. I look forward to hearing from you.
Confidentiality assured! honestly!!

Version Originals (VOST)

Courchevel has two very good little cinemas. The Tremplin 1850, below the Tremplin restaurant in the Croisette and The Villard, based down in Courchevel 1650.

Below are the English films on at the cinema this week.

Tremplin, Courchevel 1850

Tues 25th 9pm - I am Legend

Starring: Will Smith, Alice Braga, dash mihok, Charlie Tahan, Salli Richardson

Plot:

It's been three years since a killer virus struck Manhattan. Those who aren't dead have mutated into vampire-like beasts. All except Robert Neville (Smith), a military scientist desperately looking for a cure.

Verdict:

While the sun shines, it's a four-star thriller with a superb turn from Smith. When the moon rises, it's a two-star horror cartoon with some of the worst FX we've seen all year. So, really, it has to average out at... ★★★

Villard, Courchevel 1650

Mon 24th 9pm - I am Legend

Starring: Will Smith, Alice Braga, dash mihok, Charlie Tahan, Salli Richardson

★★★
