What appears to be the main road into Val d'isere yesterday

### A note from the editor

Following the most recent and continued (excessive) snowfall and the high winds which caused major drifting the entire alps have been on shut down. Without even factoring the human equation into the mix and its general lack of chain usage the roads in and between villages were closed. In the early hours just getting from the semi clear roads to my apartment was an exhilarating snow-up-the trouser leg experience.

Elsewhere Val d'Isere's main road was blocked by an avalanche, apparently engulfing a couple of cars. Zermatt was cut off from the world when the train link was shut down resulting in holiday makers having to spend the night down in the valley. The Mont blanc tunnel was closed and (most serious) I spent about 1 hour finding and digging out my car from the mother of all snowdrifts.

### THE SURGEON GENERAL WARNS

Doing ski seasons can be highly addictive, can seriously damage your sanity, result in a general lack of sleep, makes your arse bigger, increase the chances of getting a blow job in the skidoo hut outside Kudeta and waking up next to a complete stranger.

## Injury of the (last) week

**Alex "Snuggles" (Flexiski)** has been finding it difficult to do anything with his right hand after he broke his thumb while skiing down Creux. Although that is the official story rumour has it that this injury is just another in a long list of warnings about the dangers of furious masturbation.

In other Flexi-news **Beth** added her name to a long list of people who have succumbed to too much alcohol on a night out. While out in 1650 with her co-workers Beth got separated and woke up the next morning in Ski Olympic's hotel. Luckily she wasn't making breakfast that morning.

Every week we shall ask what really gets Aaron's goat. This week....

**In a word "SammyG"(Snowlinx)**

He's a tall, small eyed, hairy, moronic c\*\*t. But as you can see from the photo on the left is always happy to pleasure Aaron when he's drunk.

## New years honours

As you probably know every year the queen hands out awards to people for their works with industry/charity/ sports/ donating large sums to political parties etc. The awards range from CBEs to a Knighthoods.

In France they have something called the Legion d'Honneur which was set up by Napoleon Bonaparte. The Order is the highest decoration in France and is divided into five various degrees: Chevalier (Knight), Officier (Officer), Commandeur (Commander), Grand Officier (Grand Officer) and Grand Croix (Grand Cross).

This year **James** from Milk bar was a surprise recipient of the 1 degree (Knight), for services including, but not exclusive too, the area of unblocking toilets.

Now before you start saluting James it should be noted that he received the award while he was literally unblocking the urinals behind the men's room in milk. Stuck between two layer of plaster board along with various other objects, the ornamental box was found containing the medal.

## and finally

If you thought your bar tab at the Refuge was bad here is a receipt for a €82,457 run up in Dubai on Jan 2nd.

As you all know Dubai is the land of gold-plated cars and discarded Ferraris, so is it any shock that someone spent a lot of money at a club? Only when you see the bill was €82,457.59.

The biggest part of the bill at The Cavalli Club was the AED125,000 (€26,600) Methuselah (6L) of Cristal, this was accompanied by 2 Jeroboam and 13 normal bottles of Cristal though let's not ignore the Luxor or Vodka bottles. Oh, and that one really cheap small birthday cake.

## I WANT YOU!

to dish the dirt

The Courchevel Enquirer comes out every Saturday. I look forward to hearing from you.

**Confidentiality assured! honestly!!**

One of the major criticisms, One of the MANY major criticisms I get about this paper is that of all the Courchevel villages it only covers 1850 and sometimes 1650. The explanation for this is simple. I live in and drink around the bars of 1850 and so I hear what goes on in 1850. That's were you come in. If you have any stories, gossip, photos, suggestions etc. I want to hear from you.

I am usually in one of the 1850 bars every evening. Alternatively for those of you who are more technically minded you can email be directly on [info@courchevelenquirer.com](mailto:info@courchevelenquirer.com)
