The return of the Boulotte

naked people writhing around on the floor.... it can only be a standard apres in the Boulotte.

A note from the editor

Last year, after a major fire in the hotel above the Boulotte and the Bubble both were closed due to water damage etc. Where the Bubble reopened at the start of 11-12 the Boulotte didn't. The good news is that after a lengthy court battle Katie has finally reopened giving 1650 another place to get hammered while getting naked listening to Bring your sisters and as it's just next to the Bubble it's not far for a naked Byron to walk.

Those of you who are regular visitors to the Refuge in 1850 will have noticed an absence of their regular barmen. Jimbo and Jeremy are no longer working behind the bar. Jimbo can now be found down in the Boulotte for the remainder of the season.

Finally please be aware that page 3 contains some very adult themes and caution should be taken before reading.

THE SURGEON GENERAL WARNS

Doing ski seasons can be highly addictive, can seriously damage your sanity, result in a general lack of sleep, makes your arse bigger, increase the chances of getting a blow job in the skidoo hut outside Kudeta and waking up next to a complete stranger.

Injury of the week

Unlike last weeks “don’t punch a wall when you are drunk” Byron masterclass this week we have “don’t try to nick a pair of goggles from an irishman in Le Bar” otherwise you are liable to get punched in the face.

Quote of the week

“I’m 18”

“What’s your year of birth?”

“1992”

“Wrong answer, thank you for playing”

“Can I try again?”

“NO!”

Every week we shall ask what really gets Aaron’s goat. This week....
FRENCH HOLIDAYS

What with this being the French alps in France and it being full of French people on holiday the slopes are full of people with the skiing etiquette of an out of control rhino. The odds of making contact with an out of control idiot with the fashion sense of someone stuck in the eighties what with the tight jeans, gatters and a prehistoric set of rear entry salomon boots and straight skis.

Personaly having a resort full of 16 year old kids with fake ids trying to buy alcohol is pretty annoying.

Aarons Valentines day list of smut

Endless winter's walrus of love (deviant) hands out everything you need to know about freaky sexual stuff that will probably make your girlfriend dump you quicker than you can say hot-pocket.

The Angry Pirate. The act of receiving oral sex while standing up right, ending with the receiver not only shooting his sperm rocket into one of the giver's eyes, but also kicking the giver in one of his/her shins, thereby hindering the giver with a "peg leg" and a defunct eye.

The Angry Dolphin involves normal sex, as in where the "hrum" is in the "vageen", and the man proceeds to pull out and insert into the woman's ass. Angered, the woman responds with the yelling of "Enh! Enh! Enh! Enh!!!!" This is basically the sound a dolphin makes. Assuming the chick isnt into anal, she will emit this sound with much anger, but you'll probably do it anyway....because deep down she really wants it.

The Angry Dragon. Immediately after you blow your load in a girl's mouth, smack the back of her head and make it come out her nose. When she gets up she'll look like an angry dragon.

The Strawberry Shortcake. The action in which the male ejaculates on his partner's face, and then the male punches his partner's nose, which causes blood to stream forth. The semen and blood fluids create a red and white image, just like the icing and filling of a strawberry shortcake.

The Houdini. As a man reaches climax whilst in the "doggie style" position, the man pulls out and spits on their partner's back, fooling them into thinking that he has ejaculated, however, when their partner turns around, the man lets loose his baby yoghurt in his partner's face.

The Rusty Trombone. To get rimmed whilst receiving a hearty reach round, thus resembling a trombone player in full chorus.

The Abe Lincoln. When an unconscious person gets jizzed on their face, gets their pubes cut and applied to their face to form a beard, then adorned with a top hat.

Dirty Sanchez is commonly mistaken to be an act where the fecal matter is purposefully smeared onto a partner's upper lip. It describes the act of leaving a fecal matter "moustache" on a partner's face by taking the penis out of the anus and putting it in the mouth without wiping it off first. The result is that as the penis is thrust between the lips, fecal matter is scraped off and comes to rest on the upper lip in a moustache configuration.

The Alabama Hot Pocket is a special fetish manoeuvre that roughly involves taking a shi.... Not even I will print this. Trust me you don't want to know.

WANT YOU!

to dish the dirt

The Courchevel Enquirer comes out every Saturday. I look forward to hearing from you.

Confidentiality assured! honestly!!

One of the major criticisms, One of the MANY major criticisms I get about this paper is that of all the Courchevel villages it only covers 1850 and sometimes 1650. The explanation for this is simple. I live in and drink around the bars of 1850 and so I hear what goes on in 1850. That's were you come in. If you have any stories, gossip, photos, suggestions etc. I want to hear from you.

I am usually in one of the 1850 bars every evening. Alternatively for those of you who are more technically minded you can email be directly on info@courchevelenquirer.com

The Hoody form

For the past month I have been pestering company managers to fill out their hoody forms. There have been the usual excuses. The "I've lost the form" one comes in many guises.

But one company takes the biscuit. Stand up Ski Esprit and take a bow. It appears the hoody form is cursed. I gave a copy to Bob, who a few weeks later was fired. In desperation to get something filled out I gave another form to someone else, who was promptly fired. I offered it to a third person, who preferred to keep their job (for the time being).

I'm in no way saying that this is like the paper version of "the ring" or that Esprit are randomly firing all their staff.
