## The Courchevel Enquirer

Happy Birthday no.44 Simon.

### A note from the editor

Oh how some people have aged over the last 15 years (the above photos are from 2000) Two events again on Tuesday. Pimps and Hoes down at the Bubble with DJ Aaron and Monsters ball at the Kudeta with alcohol deals at both places. With just over 3 weeks before the 3 valley rally its time to start think about who is going to be on your 4 person team. Where will you find at least 2 fast women and at least 1 snowboarder? Last years winners are saying, (although I don't fully believe them) due to ESF commitments they are unavailable so we might actually have a 1/2 competitive race this year. Will the uber competitive Physios come out of retirement? Will Toby trip on the last hurdle (like last year) will leading by a country mile? Will all the teams that want John (Whitestorm) realise that after a couple of drinks his snowboarding goes to shit? And incase you get confused also note that the 1 valley rally for Mo March charity ISN'T the same as the 3 valley rally. If you are not the competitive type but will still like to get involved I am looking for 4 checkpoint judges.

#### THE SURGEON GENERAL WARNS

Doing ski seasons can be highly addictive, can seriously damage your sanity, result in a general lack of sleep, makes your arse bigger, increase the chances of getting a blow job in the skidoo hut outside Kudeta and waking up next to a complete stranger.

All stories contained within are purely fictional and shouldn't be taken seriously.

Anyone found taking anything too seriously should be held down, given alcohol and violated with the handle of a ski pole.

## 18.50 Seasonnaire problems in Courchevel

1. Shampoo and bodywash are more expensive than alcohol. Do you choose to smell nice or get drunk (not a problem if you are stereotypically French)
2. Learning the bus timetable or at least the last bus only to have them change on 6th April
3. Endlessly explaining to guests that (on the mountain) apres in 1850 doesn't exist unless you are Russian and go to Cap horn.
4. How long does it take to (drunk-en) walk from the Meribel Follie Douce to the bubble station.
5. Balancing Hypothermia with needing a cigarette.
6. Why do rich people decide to swim in perfume / musk? We can smell you a mile away.
7. Real or Fake fur? Of course its real this is Courchevel!
8. Which one is the wife/ daughter? or wife/ mistress? (probably mistress)
9. How to bring up the subject of tips with your guests without bringing up the subject of tips.
10. Working out how many drinks your pathetic tips will buy in Kudeta/ Funky Fox
11. Masking Hangover and lack of sleep while cooking breakfast at 7am.
12. Hoping for a fairly clean guest room
13. Turning into your Mother when it comes to cleaning
14. Hoping for a clean loo.
15. Realising it's closing time at French Kiss, the sun is just coming up and it's not a day off.
16. How long through the season before you realise you have turned into a slut / manwhore
17. Blagging the last return bubble from the Follie Douce without a Meribel pass.
18. Realising how much more social-able last seasons workers were.
- .5 Being careful what you do because you might appear in the Enquirer (and then remembering that Alex doesn't put any real news in the Enquirer anymore)

Checkpoint judges wanted

## Smarter every day.

Have you seen Aaron sit down recently? Maybe its because he's had a little problem around back. To do some reverse rhyming slang he's had a visitor from Chalfont St. Giles.

## Friday night fight

Apparently everything went a little (chronologically incorrect) Elton John down in Le praz by which I mean Friday nights alright for fighting. Maybe not real fighting but two guys touching each other's bodies with clenched fists. In the blue corner is wannabe x-factor musician Sam Burrows and in the red corner the laid back Bubble bar manager Tom. The general consensus was that Sam Burrows punched Tom in the stomach followed by Tom returning the winding favor to Sam. To prove that there was snowlimit to his silliness Sam then decided to move his head onto the area occupied by Tom's nose drawing blood. He then exited the premises quickly.

## So you think you're a seasonaire

Answer the following questions and find out if you have the right to call yourself a seasonaire or are you just a

punter in disguise(points are in brackets)

1. On a regular basis how many bars do you visit every night (not including the subsidised bars in your chalet/hotels). 1(0) 2(1) 3(2) 4+(3)
2. On average how often a week do you venture to another village (from where you live). 0(0) 1(1) 2(2) 3+(3)
3. How many times this season have you been down to Le Praz in the evening 0(0) 1-4(1) 5-8(2) 9+(3)
4. How many times this season have you been down to La Tania. 0(0) 1-4(1) 5-8(2) 9+(3)
5. How many times this season have you skied over in Val Thorens / Les Menuires 0(0) 1-4(1) 5-9(2) 10+(3)
6. How many theme nights have you dressed up for. 0-1(0) 2-5(1) 6-7(2) 8+(3)
7. How many times have you been to La Grange/ Les Caves / French Kiss. 0(0) 1-5(1) 5-9(2) 10+(3)
8. Have you appeared in the Enquirer this season yes(1) no(0)
9. Did you start crying after reading about yourself in the Enquirer yes(-1) no(0)
10. Are you going to enter the 1 or 3 valley rally yes(1) no(0) both(1.5)
11. For question 10 was your excuse that you didn't have a day off on Wednesday yes(-1) no(0)

How did you do?  
 If you've just spent a few minutes totting up your points then you aren't a Seasonaire!  
 Well if you need to take a test to see if you are a seasonaire then deep down you know that you probably you aren't a seasonaire and you were hoping that this stupid questionnaire would give you some validation.  
 You should instead be getting drunk / recovering from a hangover. Try to remember who you fingered last night and why you are still wearing that girls thong.
