

The Courchevel Enquirer

The victorious teams of Ski Total in yellow (3rd) and Inghams in green(4th)

A note from the editor

So what was there to write about after the first Ballon Ballai de Saisonaires of 2015? A Good turn out from the non-french teams. Inghams, Ski Total, Mark Warner all blacks (for the first time in my memory), the Pleisure-cumski-transfer team and the multi cultural animal onsies all performed admirably well with some teams benefiting more than other from the hockey skills of their various team mates (Total). This is shown with a 5-0 hat trick drubbing against fellow Inghams team as they competed for 3rd place.

As mentioned before Mark Warner closed their hotel (if Mark Warner head office are reading this they didn't really) and made their maiden appearance on the ice. The co-ordination in their black outfits didn't extend to the rink where they did an excellent bambi impression tying their first match only to loss on penalties and closely losing their second. There was a little controversy too. One of the French teams were disqualified for using spikes in their shoes giving them an unfair advantage

THE SURGEON GENERAL WARNS

Doing ski seasons can be highly addictive, can seriously damage your sanity, result in a general lack of sleep, makes your arse bigger, increase the chances of getting a blow job in the skidoo hut outside Kudeta and waking up next to a complete stranger.

All stories contained within are purely fictional and shouldn't be taken seriously.

Anyone found taking anything too seriously should be held down, given alcohol and violated with the handle of a ski pole.

ASK THE SNOW BEAR and yes he does shit in the woods.
ALOT.

As we still mourn the absence of last seasons snow cougar
it's out the with provocative pussy and in with 2 tonnes of
unqualified furry advice

Dear snow bear

I'm a season virgin and loving every minuet .. And was just wondering if its normal
to find a vibrator buzzing around a hot tub in my chalet at 7:30 AM !?
And what do i say to my guests as they're all men !?
As I've read in resent issues you are my only hope !

I don't know what do ?

Please help

Dear Hot tub time machine

I'm glad you're enjoying your first season .. So a vibrator in the hot tub this is a
common theme in the bears season .. But as most of the bears parties there is a
few ladies ...
So my advice is whip the offending Johnny 5 out just before desert and say would
you like this or Eton mess ?
The direct approach is the way forward ...

When they give you the story please let me know !

keep it sexy

The Magic Mushrooms, Barish, Alex, Mystery onesie woman, Dams and Brice win yet again....

The overall status quo was restored by Magic Mushrooms, even with the omission of Nini, dominating their umpteenth championship. Seriously someone should cut one of Dam's leg off in an attempt to partially even things up.

To describe this competition as a sausage fest would have been an understatement and it was for the wurst (see what I did there). I'm calling out the usually uber competitive ski physios. Where were your girls Sian? We needed your combined ovaries in the competition. Even though teams ONLY needed two women to

complete most teams were sharing their players out to an extent that many women were playing back to back games while the men sat back and drank beer.

Of course the enquirer would be the enquirer without me bitching about something so on a final note I might not sound thankful for the Courchevel tourist office to organize such a great event like the Ballon Ballai but there is a small thing that they forgot... the actual organization. Piss up and brewery come to mind. When the sign says 8.30 start what it really means is 8.50. When 32 teams enter instead of creating 8 groups of 4 and having an incredibly long convoluted group stage before the 1/4 finals, semis, final and who won? I don't know because somewhere in those nearly 3 hours of 56 matches I think I surcame to hyperthermia or lost con-

sciousness. Alternatively If they created a simple elimination draw with the losers from the 1st round playing again so that every team played at least twice you would cut out about 1 hour from the overall playing time. I will even off my services if they need any help next time. See you all again (and hopefully many more) on the 10th March for the 2nd installment of BB. I think there’s also Human Curling again on the 29th January at 8pm (check with Tourist office). Don’t forget The Kudeta are having a seasonaire night on Monday, Aaron is DJ ing a beach party in the Bubble on Tuesday and St Louis have live music in Wednesday evenings. And if Snow-forecast.com aren’t lying through their teeth (again) we have over 50cm of snow forecast for Thurday.

If you follow Ski Total on twitter you might have seen this image with was recently re-tweeted by them. Although I don’t think its one of their staff its nice to see they have a sense of humour.
